

FY26 Art Project Grant

Deadline: May 12, 2025, 5:00 pm

This grant offers project-specific funding to groups seeking to provide community arts and cultural experiences. Organizations do not need to have an arts-focused mission to apply.

Funding amounts and payment process

ArtsWA's Grants to Organizations program has experienced exponential growth since the pandemic. Our funds have not kept pace with this growth. Beginning this funding cycle, our grants will be smaller than previous years.

- Applicants can request between \$1,000 - \$3,000 for their project. Grant amounts may vary depending on available funds and number of applications received.

Evaluation, scoring, and notification

Starting with the FY26 funding cycle, we will implement priorities-based criteria to ensure our limited funds are distributed equitably. This funding structure and process is strategically designed to maximize support for our growing community while aligning with the objectives in our strategic plan. We seek to keep diverse communities engaged in the creative economy, support the creative sector statewide, and emphasize cultural equity, community diversity, and sector growth.

Priorities for Project Support grants

- Organizations with operating budgets of \$0 - \$50,000 (first consideration)
- Organizations with operating budgets over \$50,000 to \$100,000 (second consideration)
- Organizations in operation for 1 – 5 years
- Businesses located in counties identified by the state as a distressed area: Clallam, Cowlitz, Ferry, Franklin, Garfield, Grant, Grays Harbor, Jefferson, Kittitas, Klickitat, Lewis, Mason, Okanogan, Pacific, Pend Oreille, Skamania, Stevens, Wahkiakum, and Yakima
- Organizations serving constituencies consisting of 25% or more of an underserved group. *"Underserved" means populations whose opportunities to experience the arts are limited by geography, historical exclusion and marginalization due to race, ethnicity, sexual orientation, gender identity, economics, disability, or other social or institutionally imposed barriers.*
